Here's What You Can Do To Stop

Impaired Driving:

•Resolve to always drive responsibly and sober.

•Never ride with anyone who has been drinking or using drugs.

•When hosting a party, make sure non-alcoholic beverages are available.

•Be a defensive, alert driver, and report any suspected drunk drivers to police.

•Know your limits. If you have had too much to drink, have a friend call you a taxi to safely take you home. Pick up your vehicle the next day.
