3 Free lease payments are available on all 2007 models. Offer only applies to vehicles funded through Kia Canada Financial Services (Financialinx), "0% purchase financing" available for up to 36 months on all 2006MY vehicles. "No payment for 6 months" applies to all new 2006 model year inventory. With this offer, the Customer's first loan payment will not become due until June of 2007. For example, if the contract date is December 15th, the customer's first payment will be due on June 15th, and will have no payments in between. For example, the no payment rate for a 2006 Amanti over 60 months would be 1.6% (0% + 1.6%). The future value program (60/84) also qualifies for this offer.
