CPI is a world leading high-tech electronics company that designs, manufactures, and markets worldwide a diverse range of products for diagnostic medical imaging and satellite communications for television, internet, and data transmission. We are seeking the following skilled labourer to join our innovative team...

Process Operator • plating shop
 You will maintain daily production requirements by performing a variety of process operations including cleaning and plating parts, calculating and maintaining cleaning/plating solutions and baths, and loading/unloading furnaces. You will be required to perform some heavy lifting. Committed to safety and excellence, you have a secondary school diploma, experience in metal plating, metal coating or anodizing, strong communication skills, and highly effective teamwork abilities.
 In exchange for your talents, we offer a competitive package that includes a comprehensive range of benefits, a friendly and stimulating work environment with an in-house fitness facility, and the opportunity to apply your skills with an industry leader. We value all applicants; however, only those selected for interviews will be contacted.
