Advertising Sales Representative

"I have worked very successfully as a regional and store manager in the retail industry for many years. I earned a good salary and enjoyed the network of people around me but time with family was limited because the job required me to work weekends and nights.

Finding this position with the Goldbook has given me the freedom and flexibility to attend to my family priorities and still be successful even though I had no prior experience in directory sales or advertising.

I have also found my earnings to date to be greater than my previous position. And the potential increase in salary in the coming year is very exciting."

HENDERSON, Keith David - In loving memory of a dear son and uncle who was taken from us on January 10th, 1996.
As time goes by without you,
And the months have turned to years,
They've held so many memories,
Some laughter and some tears.
The moment that you left us,
Our hearts were split in two,
One side filled with memories,
The other went with you.
So many things have happened,
Since you went away,
But you are always with us,
Each and every day.
Still loved, still missed and ever near.

*Love,
Mom and Kelly*
