ON December 23rd, 2006, we experienced a house fire which could have been more devastating if not for the immediate response of the Brampton Fire Department and Emergency Services. Many of our personal possessions were spared due to their quick and decisive actions. We would like to express our appreciation to our family, friends, church and community members who came to support us that night and who continue to do so. We will always remember the kind thoughts, actions and prayers of the people who have blessed us and mean so much to us.  
With our gratitude.  
*Don, Carolyn, Heather and Jayson Crawford*
