Service available to residential clients where technology permits. Subject to change without notice and cannot be combined with any other offer. Early termination fees apply. Taxes extra. Other conditions apply. (1) Applies to the access which is dedicated from the client's modem to Bell switching equipment. Speeds may vary with your technical configuration, Internet traffic, environmental conditions, server or other factors. (2) Offer ends March 30, 2007. Available to new clients and existing Sympatico dial-up clients who receive this communication and who subscribe with a 2-yr. contract for Sympatico High Speed Internet service. After the first three promotional months, the then current monthly rate (now \$46.95; subject to change) applies thereafter. One-time activation or migration fee (\$35) applies. 30GB of usage per month; \$1.50/ additional GB, billed in increments of 100MB (1,024MB = 1GB) up to \$30/month. (3) Compared to the monthly rate without a contract. Additional savings may vary by region. Contact Bell for details. Sympatico is a trade-mark of Bell Canada; © 2005, VANOC.
