Rotherglen School's Gooderham Estate Campus is a warm and vibrant learning environment for students in Casa (age 3) to Grade 8.

We offer a caring and stimulating Montessori program that caters to each child's sensitive learning periods during the important formative years. Rotherglen provides a curriculum which challenges each student to become an active participant in his or her own learning process.

We welcome you to visit the school while classes are in session to learn more about what school should be for your child.
