

Library makeover

Students, staff and parents at Limehouse Public School were proud to be able to show off their newly re-fitted library recently, as parent volunteers gave the facility a fresh look with some murals, new furniture and rearranging the computer lab. On hand to celebrate the re-opening were Limehouse students (in front, from left) Peyton Catalfamo, Stuart Macdonald, Dakota Catalfamo, Jamie Cochrane, Barrett Catalfamo, Kyle Macdonald, Ryrden Butterfield and Liam Butterfield. In back, Limehouse vice-principal Julie Armstrong, teacher librarian Darlene Alberts, and parent volunteers Stacy Janzen, Caroline Cochrane, Rebecca Macdonald and Felice Butterfield.
