

Another Acton client reaches their goal!

Hi, my name is Debbie! I just want to say how great Cori, Kelly & Bonnie are. They have given me so much support and encouragement doing this weight loss. I also want to thank my family and friends. I started this program at a difficult time of my life. I also started it at a hard time of year, (Christmas). But I lost over 10 pounds that month. My goal was to lose 35 pounds and I did it. I also lost over 45 inches, and that's only the places they measure. I've had people I've known for nearly five years weren't sure if it was me. I feel great and I have a lot more energy. So if you are looking into losing some weight go in to see the great staff at Acton Herbal Magic. It's worth it.
