Offer ends March 31, 2007; Available to residential clients where technology permits. One-time activation fee (\$35) applies. Subject to change without notice and cannot be combined with any other offer. Rates may vary by region. Early termination fees apply. Taxes extra. Other conditions apply. (1) Applies to the access which is dedicated from the client's modem to Bell switching equipment. Speeds may vary with your technical configuration, Internet traffic, environmental conditions, server or other factors. (2) Available to new clients with a 2-yr. contract for Sympatico High Speed Internet service. Subject to change, monthly rate is \$34.95 (\$46.95/month with an additional savings of \$12/month = \$34.95) for months 4 to 24. The then current monthly rate (now \$46.95) applies thereafter. 30GB of usage per month; charges apply for any extra activity. Sympatico is a trade-mark of Bell Canada; © 2005, VANOC.
