## Important Notice to Employers

### A Summer Job — A Stepping Stone to a Career

**Canada Summer Jobs** is a new Government of Canada initiative that provides employers with wage subsidies to create high-quality summer jobs for students. The initiative is designed to meet the needs of students and takes into consideration Canada's currently strong labour market conditions. Not-for-profit, public sector and smaller private sector employers (50 or fewer employees) are invited to submit their application by **Friday, March 30, 2007**.

Employers can apply on-line at **servicecanada.ca** (under the *Employers and Business* section), by fax, by mail, or in person at any Service Canada Centre.

Applications will be assessed according to the initiative's eligibility criteria and priorities, which include creating jobs that would not otherwise be created, helping students who need it the most as a result of where they live and/or other barriers, the quality of the work experience being offered, and available funding.
