

Meeting set for March 28 Woodlot management workshop can save landowners tax dollars

A workshop in Milton could help landowners reduce their property taxes on their forested land by up to 75 per cent.

The free woodlot management workshop on Wednesday, March 28 is hosted by The Ontario Forestry Association and Trees Ontario Foundation.

Landowners with 10 acres or more of forested land can find out how to apply for tax relief under the Managed Forest Tax Incentive Program (MFTIP), set objectives for their properties, prepare forest steward-

ship plans and identify local resources to assist them in achieving their management goals.

The workshop will be held from 6-8 p.m. at the Royal Canadian Legion, Branch 136, 21 Charles St., Milton.

Space is limited and pre-registration is recommended. For more information and to register, contact the Ontario Forestry Association at 1-800-387-0790 or info@oforest.on.ca. Information is also available at www.oforest.on.ca.

CALL FOR NOMINATIONS 3rd Annual **ATHENA** North Halton Award

Do you know someone who deserves the ATHENA Award?

Someone who lives or works in North Halton and who has

- Assisted women in achieving their full potential
- Demonstrated professional excellence
- Given back to the community?

It could be a friend, colleague, employer, teacher or someone from your faith community. What better way to acknowledge their contribution, than to nominate them for the ATHENA Award.

Help us honour and celebrate the contributions of individuals who mentor women.
