

Town to provide \$15,000 in funds for July Homecoming 2007 bash

The Town of Halton Hills is getting behind Georgetown Homecoming 2007 by providing \$15,350 to the project.

The Town's Community Affairs Committee approved the cash for marketing and promotion, special projects and fee waivers.

Georgetown Homecoming is a community-wide reunion, July 27-29. It invites all present and former residents to celebrate activities over the three days including the 40th anniversary of the Random Car Club, the 50th for the Georgetown Referees' Association, the 65th for the Georgetown Pipe Band, the 120th of

Georgetown District High School and so on. More information is available at www.georgetown2007.ca

However, the Community Affairs Committee deferred a request from the Halton Hills Chamber of Commerce for \$28,440 to offset costs for tourism. Instead the Chamber will make a presentation to the Economic Development Committee.

Municipal Assistance grants were also approved to the Healthy Community Fund (\$5,000) and ArtsWeek 2007 (\$750 for marketing and promotion).

Next Tuesday

Forum to discuss region's waste plan

Local environmental group Protect Our Water and Environmental Resources (P.O.W.E.R.) and Oakvillegreen Conservation Association will be holding a free public forum Tuesday, March 27 to discuss Halton Region's proposal to build an energy from waste (EFW) facility at the Region landfill site on Regional Road 25 in Milton.

Dr. Paul Connett, Professor Emeritus of Chemistry from St. Lawrence University in Canton, N.Y., who specializes in environmental chemistry and toxicology will be the guest speaker. Connett will be joined by Rod Muir, a waste diversion campaigner from the Sierra

Club of Canada and John Jackson director of the Recycling Council of Ontario.

The forum will be held at the Galaxy 707, 475 North Service Road East in Oakville. Doors open at 7 p.m. Refreshments will be available.

Connett and Muir's presentation will be followed by a panel discussion that will include Brian Burton, a cost analyst. The panel will answer questions from the audience and discuss waste disposal options.

For more information call Barbara Halsall 905-873-0344 or Liz Benneian at 905-257-0250 or e-mail her at lizcdn@yahoo.com.

Did you know you have cancer-fighting powers?

Well, you do.

You (yes, you!) can fight cancer by becoming a volunteer with the Canadian Cancer Society.

All you need to do is spend three hours selling daffodils or canvassing door to door, and you'll be helping us fund research to help more Canadians survive cancer. And that's a powerful thing.

Three hours for you, a lifetime to a cancer survivor.

To volunteer, visit cancer.ca/volunteerpower or contact your local Canadian Cancer Society office.
