

Winter ball?

While the adults were busy competing in the recent YMCA Sno-Pitch tournament at the Ballinafad Community Centre youngster Blair Ogden decided to try and sharpen his batting skills on the sidelines.

Natural gas water heaters

Save up to **\$2,457***

With natural gas, you'll save over 50%* when compared to electric. That means over the average 13 year lifespan of your water heater, you can save up to \$2,457 on your water heating energy bill.

And your family will also enjoy an abundant supply of hot water because a natural gas water heater is **two times faster** at heating water compared to electric water heaters.

*January 2007 rates for natural gas and electricity. Based on a four person household. Does not include monthly fixed charges for natural gas and electricity. ©Union Gas Limited 2007 03/2007
