

The Association of Ontario Land Surveyors is pleased to announce that **Lise Currie, O.L.S., O.L.I.P.** of Georgetown, Ontario

has successfully completed all of the academic and experience requirements for professional membership in the Association of Ontario Land Surveyors.

Ms. Currie received her Bachelor of Science, Physics, at MacMaster University and completed the Survey Science specialist program, at Erindale College, University of Toronto, Ontario. Her formal education was followed by a required term of closely monitored practical experience and by additional formal examinations in Statute Law and Professional Land Surveying.

Lise now joins the ranks of over 650 Ontario Land Surveyors/Ontario Land Information Professionals who are responsible for the creation, maintenance and recording of land boundaries and parcels in the Province of Ontario. OLSs/OLIPs are also engaged in aerial photogrammetric mapping, hydrographic surveying of the beds of lakes and rivers, topographic surveying, geodetic surveying for precise determination of the shape of the Earth's surface and are involved in the development and maintenance of Geographic Information Systems (GIS) as Geographic Information Managers. For additional information, visit the AOLS website (www.aols.org).

Whee fun with the wii

Acton's Zack Walker tests out the new Nintendo wii interactive boxing video game recently at the Off The Wall Youth Centre on Mill St. The wii game was also at the Open Door in Georgetown at various times during the month.
