### We want to hear from you

Halton Regional Council would like your feedback on the draft vision statement, themes and goals which will make up the 2007-2010 Halton Region Strategic Plan. The Strategic Plan will reflect Council's vision and priorities for the next four years. Last week, four community open houses were held to hear public feedback. We are also continuing to make our online consultation form available to give residents an opportunity to easily provide input. Your feedback and comments will be provided to Regional Council for their consideration as they finalize the Strategic Plan over the coming months. The consultation form at [www.halton.ca/stratplanconsult](http://www.halton.ca/stratplanconsult) will be available until April 5.
