

**Roses are red, Violets are blue
Sales are ahead, thanks to you.
Leaves are green, bark is brown
Drive with esteem instead of a frown!**

**They're cheaper here than anywhere else
So get in gear, they're on our shelf
You'll drive away, smiling with glee
Having sold ME your ja-lo-py**

**Picture yourself cruising Halton Hills
Low maintenance costs, lower your bills
Buy or lease, we don't care
Our lineup's the best, we want to share.**

**Test drive Chrysler, Dodge or Jeep
I'm sure we'll find your size
New wheels today are never cheap
So if it comes to price, we'll compromise**

**Come in today to see what's new
I'm sure our products will dazzle you
Your first impression will stick like glue
Your neighbours will exclaim "you too"**

**I'm looking forward to a really big year
Glad to be out of the cold
Give us a shot, please have no fear
I'm sure we'll mark it SOLD**
