

Monique and Theo Doorn, thank their customers for their support as Doorn Garden Centre in Ballinafad celebrates its 10th anniversary.

## Doorn celebrating 10th anniversary

Doorn Garden Centre is celebrating its 10th anniversary.

During the past 10 years, Theo and Monique Doorn have worked hard to expand their business, located at 13177 Trafalgar Rd. in Ballinafad, to provide a one-stop country garden centre. The centre began small, but customers quickly began to realize that not only did Theo strive for utmost quality, but his horticulture degree was reflected in the extensive knowledge that he is able to provide to every customer.

In the first few years of business, Theo built four new greenhouses to increase his product selection. Doorn carries: roses, evergreens, shrubs, trees, soils, sand, mulches, stones, patio stones, annuals, perennials, and more.

One of Theo's most remarkable services includes his on the spot landscaping ideas. Customers can come with rudimentary

measurements and Theo has endless inspiration in helping every individual design a garden that suits their location, budget and wants.

In the past few years Doorn Garden Centre has gained great momentum in the establishment of a delivery service. Theo delivers soil, sand, mulches, sod, stones, trees, and more.

Throughout the past 10 years, Monique has launched a worldly gift store. She strives to sell gifts that can be found nowhere else, so that customers can not only create quality gardens, but can add a touch of creativity and uniqueness to their homes. One of kind teak benches from Thailand, Australian leather outback hats, and an enormous selection of bamboo wind chimes are just some of the many items that are available.
