Get Your Garden Growing!

Spring Compost Give Away at the Halton Waste Management Site

**Monday, May 7 – Saturday, May 12
8:00 a.m. – 4:30 p.m.**

Thanks to the participation efforts of Halton residents, about 30,000 tonnes of yard waste is collected every year and turned into rich, garden-friendly compost. Halton Residents are invited to come out to our Compost Give Away to pick up some of this compost as a 'Thank You' for helping divert a usable material from the landfill, thereby extending its life!

- All Halton households are welcome to collect a maximum of seven bags (or equivalent) of compost.
- Residents are responsible for shovelling and bagging their own compost.
- Please bring your own bags/containers and shovel.
- Non-perishable food items or cash donations will also be gratefully accepted on behalf of Halton area food banks.
