May 28 is deadline to submit student business plan

Secondary school students in Halton Region are invited to enter the 2007 Halton Region RBC Business Plan Competition to gain business experience and potentially win cash awards. Young entrepreneurs can prepare a business plan for a business they want to start, or just an idea for one. The deadline for schools to submit business plans to Halton Region's Business Development Centre is May 28. This year, students have the opportunity to win one of five cash awards between \$200 and

\$1,000. All full-time Halton secondary school students are eligible to apply, regardless of their stream of study. Winners at the local level can advance to the regional competition, where there are even more awards to be won. For more details on this competition or other youth programs at Halton, contact Halton Region's Business Development Centre at 905-825-6000, toll free 1-866-4HALTON (1-866-442-5866), TTY 905-825-9833 or visit www.halton.ca/business

I don't have to spend all my time and money keeping the place up.

Paint this? Fix that? I've got better things to do with my time. And my money. That's why I like the fact that almost all the odds and ends of upkeep are taken care of so I have the time to do what I really want. Which is to work on my golf game.
