Mito March set for Sunday

The third annual Mito March—Kure for Kirkland is set for Sunday (May 27) at the Gellert Community Park in Georgetown.

The fundraising event for mitochondrial disease research at The Hospital for Sick Children in Toronto will run from 9 a.m. to noon. Registration begins at 8 a.m. The target for this year's March is \$50,000.

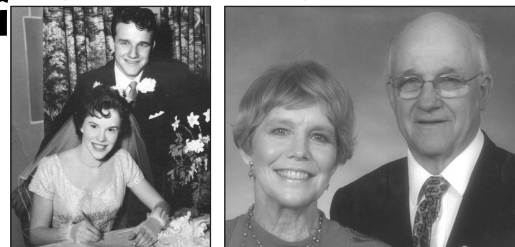

The event was conceived by family and friends of Kirkland Kilbride, a six-year-old Georgetown boy who suffers from a rare and fatal mitochondrial disease-complex one deficiency.

Participants in the Mito March collect pledges. There will also be many draw prizes including foursomes of golf at Glen Abbey and Eagle Ridge Golf Clubs and an appearance by Toronto Maple Leaf player Kris Newbury.

Everyone is invited to take part in building an energy chain, which organizers hope will be a year-round fundraiser for mitochondrial research. To build a chain, people are asked to make a dollar donation for a link.

For more information on the Mito March contact organizers at info@mito-march.ca or call Kelly Kilbride, Kirkland's mom, at 905-873-4737.
