## Library registration begins for summer preschool programs

Is your baby between 6 and 23 months old? Halton Hills Public Library offers a free program called Baby Tales that will support your baby's verbal development with stimulating rhymes and rhythmic music, and encourage brain development with gentle bounces and tickles. Meet other new parents while exposing your baby to other babies!

This registered program is offered on Thursday mornings in the Georgetown Branch at 10 a.m. July 5 to August 9.

In the Acton Branch the program is offered on Wednesdays at 10 a.m. July 4 to July 25.

Beginning June 1, you can register online at [www.library.hhpl.ca](http://www.library.hhpl.ca) or in person at either branch.

**KATHRYN POPHAM OF EREWHON THEATRE**

The Velveteen Rabbit is coming! Halton Hills Public Library is pleased to announce that tickets go on sale on June 1 for Erewhon Theatre's *The Velveteen Rabbit!* This tale is a modern children's classic, in which a stuffed toy rabbit learns what it means to be real.

Erewhon Theatre's dramatic adaptation, with its lovely masks, puppets and props is an excellent introduction to the world of theatre. The performance will be held in the Acton Branch on Saturday, June 23 at 10 a.m. and in the John Elliott Theatre on Tuesday, July 3 at 7 p.m.

Tickets are only \$2 and available at the library. For details: [www.library.hhpl.on.ca](http://www.library.hhpl.on.ca) or 519-853-0301 or 905-873-2681 ext. 2520.
