MEET... Elizabeth

Dear Friends
25 years ago when I decided to open this business, I never expected that I would still be up and running this long. I thought 10 yrs or 15 and that would be the limit. However, I was blessed with a great husband and family who have supported me over the years, and I have two daughters who joined me in the business and thus enabled me to continue. I could not have done it without them, or without the tremendous support of the community. I love Georgetown, Bob and I have raised our family here and our grandchildren are here and I thank you all for your continued support of Elizabeth's.
Downtown Georgetown has grown over the years, we have had lots of changes, some good, and some not so good, but we have great businesses, great restaurants, and we will continue to grow in the years ahead. Our reconstruction of Downtown starts in 2007, it will be a trying time for all of us downtown and we will need your support more than ever during this time, so come on down and help us out we will still be doing business.
