MEET...

Brenda and the Girls

The Copper Kettle Pub is celebrating their 20th Anniversary in the beautifully restored 1825 historic Glen Williams' building. Since 1987 Brenda & the girls have offered their customers an array of fresh home-cooked lunches and dinners, cold British beers "On Tap" and great evenings of entertainment including Jam Nights every Tues, Darts on Mondays and some special weekends of live music. Their exquisite English Garden Patio provides an ideal location for private functions, weddings, afternoon High Tea, or just a quite escape with friends.

The Copper Kettle Pub invites all their friends, both the faithful and the new, to stop by this June and join in their celebration running all summer long.

MEET...

Keith Vaters

The success of Asbuilt ClimateCare can be directly attributed to our superior knowledge and dedication to deliver exceptional comfort and peace of mind. We believe it's far better to get a great product at a fair price than a fair product at a great price.

Founded by Keith Vaters in 1989, Asbuilt soon gained a reputation for ensuring customers' satisfaction and comfort. Backed by a great team of licensed technicians, sales and office staff which includes wife Lori and daughters Christina and Chelsea, Keith is grateful for the opportunity to serve the community of Georgetown and Halton Hills.

As your total Home Comfort Specialists, Asbuilt provides the best products and solutions to ensure your year round comfort. Asbuilt delivers sound advice, professional service and installation of reliable heating, cooling, air quality and radiant heating technologies. Drop by our showroom to see our wide display of gas fireplaces, ask about our preventative maintenance programs or just to say hello to our friendly staff. Depend on the experts at Asbuilt ClimateCare to be your Home Comfort Specialists.
