

Alternative renewal energy resources to be discussed at forum

The North Halton Ladies Investment Club (NHLIC) and Protect Our Water and Environmental Resources (POWER) presents a talk on renewable energy on Wednesday, June 20, 7:30 p.m. at the Limehouse Memorial Hall.

Jo Coombe, vice-president of marketing of Bullfrog Power, will explain how consumers can buy their electricity from her company and thereby contribute to a healthier environment. Bullfrog Power is the only electricity retailer

in Ontario that buys power exclusively from wind and low-impact hydro generators who meet or exceed the federal government's EcoLogo standard for renewable energy.

There is no charge to attend the talk. The hall is located at the intersection of 22 Sideroad and Fifth Line in Limehouse.
