Grade 4 kids Swim to Survive

St. Brigid Grade 4 students Meghan Sipos (left) and Matthew Hodgins, joined with Barbara Byers, Public Education director from the Lifesaving Society and Halton Hills mayor Rick Bonnette, as they kicked off the Swim to Survive training program at Gellert Pool. The Lifesaving Society provided a \$3,700 grant to the Town to offer the program. In Halton Hills, approximately 240 Grade 4 students will get the program in 2007. The Swim to Survive program includes learning to roll in deep water, tread water for one minute and swim 50 metres. The Town is the second largest program in towns with population between 50,000 and 100,000.

Savannah Wepf, a St. Brigid's School Grade 4 student, was one the the first to get into the water and try the Swim to Survive Program.

Drinking and Driving Can Distort Life.

Drink and drive, and your life may never be the same again. You not only risk your life when you drink and drive, you also risk losing your license, incurring expensive fines, doing time in jail or even causing injury or death to an innocent bystander. With all these consequences facing you, driving under the influence is the worst decision you can make. Don't take chances with drinking and driving; there's always a better alternative.
