## Sheridan Nurseries & Intracorp invite residents of Glen Williams to attend a PUBLIC INFORMATION MEETING OPEN HOUSE

Thursday, June 28<sup>th</sup> - 7:00 to 9:30 p.m.  
at the Glen Town Hall

View the proposed location and design concept for the Glen Williams sanitary sewer pump station that will serve a central area of the community that was previously detailed in the approval process relating to the Sheridan subdivision plan.

Also, draft urban design guidelines will be presented that will define the architectural and streetscape elements within 'The Meadows in the Glen' community.

Drink and drive, and your life may never be the same again. You not only risk your life when you drink and drive, you also risk losing your license, incurring expensive fines, doing time in jail or even causing injury or death to an innocent bystander. With all these consequences facing you, driving under the influence is the worst decision you can make. Don't take chances with drinking and driving; there's always a better alternative.
