**The Regional Municipality of Halton****Halton Waste Management Site**

The Halton Waste Management Site (HWMS) is Halton Region's one stop solution for the 3 Rs (reduce, reuse, recycle), yard waste composting, safe disposal of household hazardous waste and of course, garbage disposal. Use of the HWMS carries a nominal charge of:

- \$5.00/vehicle for up to 50 kg,
- \$10.00/vehicle between 51 – 150 kg, and;
- 9.8 cents for every kg thereafter starting from "0" kg.

For a complete list of fees please contact Halton Region or visit www.halton.ca/waste.

Please secure all open loads.

**Container Station**

In addition to garbage disposal, the following materials are collected and diverted from our landfill:

- | | | |
|---------------|--|---|
| • Yard waste | • Electronics (computer hard drives, stereos, VCR, etc.) | residential loads only, all commercial loads are subject to charge |
| • Scrap metal | • Foam (cushions, under padding) | • Cellphones, eye glasses, printer cartridges and wine corks (free of charge) |
| • Appliances | • Blue box recyclables (free of charge for | |
| • Tires | | |
| • Wood | | |
| • Drywall | | |

**Salvation Army Reuse Depot**

Drop off unwanted, reusable items and help the community at the same time. Acceptable items: clothing, linens, paired shoes, kitchenware, toys and undamaged furniture.

**Blue Boxes & Composters**

Blue Boxes and backyard composters are available at the Scalehouse. Blue Boxes: first one is free of charge, \$5 per additional box (3 max.). Composters: \$15 each (2 max.).

Did You Know...

Halton Region has implemented a Landfill Gas Collection and Utilization System at the HWMS.

When Waste decomposes in the landfill, it releases greenhouse gases, including methane and various odour-causing compounds into the surrounding atmosphere. The Landfill Gas Collection System draws the methane-rich gas away from the landfill and the Utilization System turns it into electricity, enough to power up to 1500 residential homes!

Household Hazardous Waste Depot

Each year the Household Hazardous Waste Depot receives and properly disposes of or recycles over 700,000 litres of residential hazardous waste. Visit the Depot for safe, free of charge disposal of household hazardous waste items.

Accepted Free of Charge:

- Paint
- Oil
- Solvents
- Propane tanks
- Household and garden chemicals
- Full aerosol cans
- Automobile batteries
- Household batteries
- Fluorescent bulbs and compact fluorescent light bulbs (CFLs) (8 max.)

There is a 20 litre maximum per visit and no commercial hazardous waste can be accepted.

Empty paint cans (dry with lids removed) and other empty containers (with no liquid or powder residue) can be disposed of with regular garbage.

**Paint Reuse Shed**

Drop off or pick up usable paint and stain at the Reuse Shed, free of charge, conveniently located beside the Household Hazardous Waste Depot. Open from Spring to Fall.

**HWMS**
