

Peer Outreach Support Services and Education (POSSE) is hosting its second Welcoming Diversity Day Saturday at 2 p.m. Participants will march down Main Street in Georgetown to Cedarvale Park where there will be entertainment and food available from 3-7 p.m.

Second Diversity Day planned for Saturday

In an effort to welcome people of different backgrounds to the community, Peer Outreach Support Services and Education (POSSE) is hosting its second Welcoming Diversity Day Saturday beginning at 2 p.m.

The day is the inspiration of a group of youth involved with POSSE Project in north Halton.

"We believe everyone has the right to feel safe in our community regardless of age, race, religion, sex, sexual orientation, gender identity, class, sub-culture or abilities.

The event will begin at Remembrance Park with opening remarks by Regional Chair Gary Carr, followed by flag raisings and a march down the sidewalk of Main St. to Cedarvale Park where there will be entertainment and food.

The march route will be from Remembrance Park down James St.

to Main St., across Maple Ave. to Cedarvale Park.

Participants are required to stay on the sidewalk.

People are encouraged to bring flags of various countries or the Pride flag, as well as signs supporting human rights issues.

Food and entertainment at Cedarvale Park will be held from 3 to 7 p.m. and will include Habeeba Hobeika Egyptian Dancing, Chris Golden, Skill Shine Dubs and Cassava - Latin Salsa.

Children's entertainment from 3 to 6 p.m. will include a Birds of Prey and Reptile Display and face painting.

Everyone is encouraged to park their cars at Cedarvale Park and walk to Remembrance Park.

CHANGES AND ADJUSTMENTS

It may be necessary from time to time to have changes or adjustments made to your hearing aids or molds.

Your hearing can change slightly; you can gain or lose weight; develop circulation problems; develop an allergy...the list is long.

Hearing Instrument Practitioners will want to see you on a regular basis to ensure you are receiving maximum benefit from your aids. No problem is "too small" to have checked. Your hearing is too precious not to receive the best possible attention.
