

Clinics planned to boost blood supply

In an effort to boost blood supply during the challenging summer season, Canadian Blood Services urges area residents to become first-time blood donors, and those who already donate to keep their donation appointments.

Three blood donor clinics are scheduled in the Halton Hills area this month:

- Monday, Aug. 13, Maple Ave. Baptist Church 177 Maple Ave., Georgetown from 2 to 8 p.m.
- Thursday, Aug. 16 Acton Legion Hall, 15 Wright Ave., Acton, 4 to 8 p.m.

• Friday, Aug. 17, Georgetown Market Place, 280 Guelph St., 3:30 to 8 p.m.

• Negative blood is always high in demand.

Donors are eligible to win a Kodak EasyShare X530 digital camera at all clinics across Canada through the "Save Lives, Make Memories" campaign and are encouraged to share their donation stories at www.blood.ca/memories.

Call 1-888-2-DONATE (1-888-236-6283) for blood donor clinic information or to schedule a donation appointment.

BANKRUPTCY!

ODD/EVEN WATER RESTRICTIONS IN PLACE

Halton Region has implemented a mandatory odd/even water restriction on outdoor water use. Odd-numbered municipal (or street) addresses can water on odd numbered calendar days and even-numbered municipal addresses can water on even numbered calendar days. Watering is permitted only between the hours of 6:00 a.m. to 9:00 a.m. and 6:00 p.m. to 9:00 p.m.

This restriction includes the watering of lawns, flower/vegetable gardens, trees and shrubs. Vehicle washing is also included in the odd/even restrictions.

Please refer to Halton's website (www.halton.ca) for specific details on exemptions/restrictions or contact Halton Region at 1-866-4HALTON.

PLEASE AVOID ANY UNNECESSARY WATER USE WHENEVER POSSIBLE

iRecycle

because it protects the planet.

Before putting milk cartons, drinking boxes, pop cans or water bottles in our Blue Box, we make sure they are empty so we can keep our Blue Box clean.

Make personal protection from WNV a priority

Halton residents have heard about and seen evidence of West Nile virus (WNV) in our community since 2001. Residents contribute greatly to tracking the virus and preventing its spread within the community through reporting dead birds and areas of standing water.

However, now that we are into August, it's time to pay particular attention to protecting yourself and your family from mosquito bites. In the past few years, we have seen that most human infections of West Nile virus occur in August and September.

Remember to cover up from dusk to dawn and to use a mosquito repellent containing DEET. For more information on how to protect yourself and your family from mosquito bites, visit our website at www.halton.ca/wnv.

Metal & Appliance Call-in Collection Service

Metal items and appliances will ONLY be collected on a call-in basis, and therefore will not be collected on your scheduled Bulk Collection day.

To receive collection, please call Halton Region
Monday - Friday
8:00 a.m. to 5:00 p.m.
at 905-825-6000 or
Toll free 1-866-4HALTON
(1-866-442-5866)
TTY: 905-827-9833

Metal items and appliances include refrigerators, freezers, dishwashers, stoves, washers, dryers, metal furniture, broken down swing sets, etc.

Please ensure the doors are removed for safety.

If you have unwanted items that are in good condition, consider donating them to a charitable organization or reuse centre. You will be diverting material away from Halton's landfill and helping people in need at the same time!
