

WPEC community gardens to have early harvest on Sunday

Can you help with the gardens in Willow Park? The Willow Park Ecology Centre Stewardship Committee is currently looking for volunteers to lend a hand from time to time.

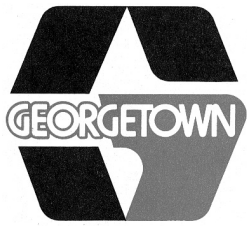

The committee members and volunteers have planted the gardens—and watered them when needed. Now all are looking to enjoy some of the benefits of their labours. Join them on Sunday August 19, 1-3 p.m. for Early Harvest when they will work a little, play a little, meet new people, and learn a lot.

There will be crafts for the kids and take-home information for everyone. This is your park! Please help ensure that it continues to provide enjoyment and environmental educa-

tion for all.

Contact Willow Park Ecology Centre, 905-702-9055 for further information—or just show up at Willow Park on Sunday afternoon at the pavilion by the river.

The Willow Park Community Gardens is a project sponsored by the Evergreen Foundation and Willow Park Ecology Stewardship Committee.
