Amaranth Day

Amaranth has been a key member of our team for 5 years. During her short breaks on adventures abroad she was missed and guests and staff alike were glad to see her return.

Not only is Amaranth lovely and polite to talk to, she's got a fun loving side that made her perfect as a "golf cart girl" and photographer at many of our annual golf tournaments. "Am" has a knack for making things sparkle, sometimes it's her personality...sometimes her OCD...but either way we love having her around!!

Amaranth is also an accomplished dancer and dance teacher who is admired by all of her students at Halton Hills School of Dance. We believe Am should be voted Halton Hills Server of the Year 2007 because she is a well rounded person with many qualities and she deserves our recognition.

Melissa Sheppard

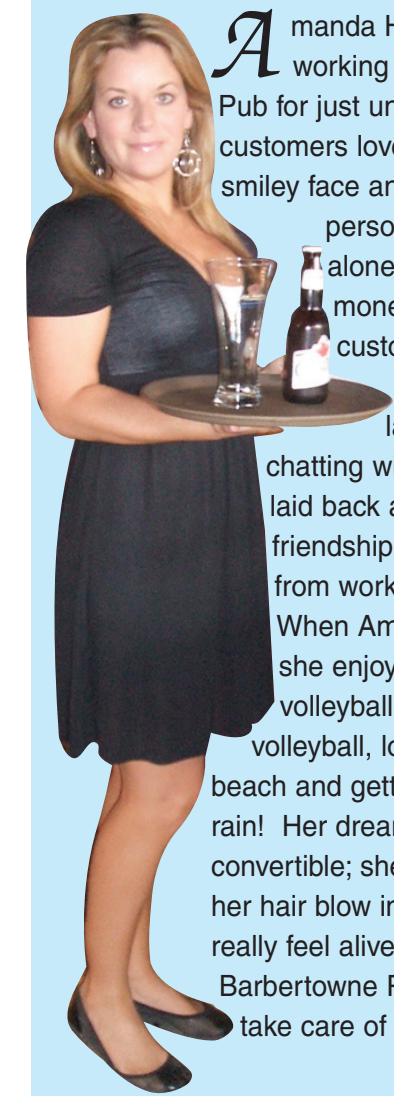

Melissa has been a fixture at The Stuffed Olive ever since it opened. She started out visiting one side of the bar, but soon joined The Stuffed Olive team and jumped over the bar (literally) to become one of the best servers/ bartenders at the restaurant.

Mel's smiling face and eagerness to please is one of the many reasons to stop by The Olive for a meal or a drink, and she always has a cheerful disposition to help you forget about the troubles of your day. She enjoys participating in many team sports, and her clubs even occasionally win a game thanks in no small part to Melissa's great team spirit. After more than 10 years in the service industry, Melissa brings a professional and friendly demeanor to each and every customer she serves. Melissa is competing for the title of Halton Hills Server of the Year. Please drop by The Stuffed Olive - Wood Oven & Taps and vote for her, and prove, once and for all, that nice girls don't always finish last.

Amanda Halliday

Amanda Halliday has been working at Barbortowne Pub for just under 5 years. Her customers love her friendly, smiley face and outgoing personality.

Her smile alone that she paid big money for brightens customers days. Amanda loves laughing and chatting with the patrons, the laid back atmosphere and the friendships she has formed from working at Barbortowne. When Amanda isn't at work, she enjoys watching mens volleyball, attending golf, volleyball, long walks on the beach and getting caught in the rain! Her dream car is a Pinto convertible; she would love to let her hair blow in the wind and really feel alive! So stop by Barbortowne Pub and let Amanda take care of your every need.

Lauren Beam

Lauren has been working at Shoeless Joe's for just over 3 years now.

She has lived in town for 10 years and is the self proclaimed Caesar & Margarita Queen of Georgetown! Lauren loves the summer for the patio & you can find her working each karaoke & wing night. Lauren is also involved in the Bikini Car Washes for charity held at Shoeless Joe's.

Amy Cox

Amy has been a server at Kelsey's since the restaurant's opening in January. Because Kelsey's is such a busy place, many people of Georgetown have already had the pleasure of meeting her.

Amy is 24 and has lived in beautiful Ballinafad all her life. Outside of work Amy enjoys taking her dog for a walk around the great metropolis of Ballinafad, vacationing under the Caribbean sun and attempting to be smarter than a 5th grader. When no ones watching, she also likes to pretend she is on "Idol" and thinks its time for a redhead such as herself to win. Although it may seem like Amy is all fun and games, she takes some things in life very seriously. Known as the restaurant enforcer, she keeps the other staff in line. Amy has friendly service down to an art and would love to see you for some great food and a good laugh. Stop by, and ask for Amy!
