FERNBROOK
NATURAL SPRING WATER
NOW HIRING
Maintenance Mechanics!

State of the art bottling facility in Halton Hills is now hiring for the following positions.

Industrial Millwright Mechanics and Millwright Mechanics with 3rd class stationary engineer license. Preference will be given to individuals with bottling facility experience.

What makes a company a great place to work? It's a place that challenges and inspires you to achieve your best, a place that respects your individuality, values teamwork and collaboration, and rewards your efforts with career development opportunities and personal satisfaction. It's an organization where you can demonstrate your passion, express fresh ideas, and bring your unique background and experiences to the table. It's a place where employees are proud of the products they produce and the outstanding service they provide to customers.

Position Description/Qualifications

- Perform regular preventive maintenance on all equipment.
- Troubleshooting/repairs/carryout work requests and apply corrective measures in a timely fashion.
- Entrepreneurial attitude. Works well within a team atmosphere. Self-starter. Proactive approach. Willing to take challenges.
- Excellent communication skills (oral and written).
- Do reports on work completed.
- Must have a full compliment of proper tools to perform tasks.
- Must be a self starter and work under minimal supervision.
- Perform other tasks as requested by the Maintenance Supervisor/Manager.
- 3-5 years experience in an industrial manufacturing environment as a Millwright.
- Knowledge of electric circuitry of relay, PC and PLC logic.
- Must be able to work the 24/7 shift schedule.
- Machine shop familiarity (lathe & milling machines), welding (ARC, TIG, MIG), and electrical pneumatic & hydraulic fields are an asset.
- Past experience in a food manufacturing facility is a definite asset with blow mould experience.

Company provides above average pay for the right candidates. No phone calls will be accepted.
All interested applicants must email their resume to: garycormier@fernbrooksprings.com

G D Control Inc. where,
"We Solve Manufacturing Challenges"

At **G D Control** we are committed to providing ALL of our customers with innovation, automation and satisfaction. We strongly believe all manufacturing facilities; large and small should have the privilege to quality automation which in turn will assist our customers in achieving their manufacturing goals.

We are seeking an experienced **CONTROLS SYSTEM SOLUTION PROVIDER** for a full time Hourly position. They will be responsible for day to day challenges of supporting the Automation controls activities within our customer's locations, which include high speed, high tech manufacturing facilities.

Candidates should have a general understanding of how mechanical and electrical systems, including PLC, HMI and Servo's work, with experience in providing support to the engineering teams and provide technical assistance on production equipment. You will be involved in projects that will include the design, implementation and management of process improvements for new launch programs and existing systems.

EXECUTIVE ADMINISTRATIVE ASSISTANT
The East Wellington Family Health Team (EWFHT) is in the 'start-up' and developmental phase of building a team of primary care health professionals to serve the population of East Wellington (Erin/Rockwood) and the surrounding area. We are now expanding the team and are looking for a confident, enthusiastic and skilled team player comfortable working within a fast paced, rapidly changing, dynamic environment who will assist in the development of a strong effective Family Health Team.
Responsibilities
Reporting to the Business Lead, the Executive Administrative Assistant will provide administrative support functions for the Business Lead and the Board of Directors. This will include general office management and administration; executive support - scheduling of meetings, preparation of reports and minutes, event and travel planning; budget development and financial administration; research, analysis and report writing; as well as project coordination and a myriad of 'start-up' and development activities.
Qualifications
We are seeking an individual with:
• The flexibility required to work in a rapidly changing environment
• The critical ability to multi-task, set priorities and meet deadlines
• Proven ability to work independently and in a highly interdependent team environment
• Sound judgment with an emphasis on discretion and confidentiality
• Strong organizational, planning and office management skills
• Exceptional communication (written and oral), decision making and problem solving skills
• Well developed research, analysis and project management skills
• Advanced knowledge of Microsoft Office products with an ability to learn new software programs quickly and thoroughly
• Proven ability to work effectively and pleasantly with the public and within a collaborative team
• Knowledge of and experience working with non-profit board structures or within the health care field will be considered assets.
The ideal candidate has experience handling diverse responsibilities and a minimum of four years experience in a similar role. The East Wellington Family Health Team offers attractive compensation, a supportive and flexible work environment and the opportunity to help with creating quality health services for peoples in the Erin/Rockwood area.
Salary range \$38,000 to \$46,700 per annum
If you are interested in this opportunity, please send your cover letter and resume in confidence by **Wednesday, September 5, 2007** to:
Joanna Muckle, Business Lead
East Wellington Family Health Team
45 Main Street, Erin, ON NOB 1T0
Joanna.ewag@aztec-net.com
We thank all applicants for their interest; however, only those selected for an interview will be contacted. No phone calls please.
