Dear **Adam Holton**
1986 - 2005

Another year has gone by and everyone still thinks about you daily. Time has made this accident easier for us all but the memory of you still lives on. We all know you are around us every chance you can because you are our guardian angel. We all wonder if you are making the angels laugh like you used to with us, or if you are playing your guitar with the legends every chance you get. We are sure you have made many friends in heaven because you were the most loveable guy we all knew. Never will we forget you, nor will we stop talking about the funny things you used to do. Everyone misses you more than you can imagine. Years have passed but the memory lasts.
A.H #27 - SEE YOU WHEN WE ALL COME HOME.
LOVE AND MISS YOU

CARDS OF THANKS

Karl Heinz Heissler
August 19, 1932 to July 27, 2007

For our very Special and Loving Husband, Dad and Opa - *"We know you did everything you possibly could, now is your time to rest"*.

The family of the late Karl Heinz Heissler wish to express their heartfelt "thank you" to all those who helped ease the pain during the recent sudden passing of our Husband, Dad and Opa.

The extra care and consideration shown by the attending Halton Regional Police officers as well as the Halton Ambulance Service Paramedics did not go unnoticed and was truly appreciated. A special thank you to Mike McMenemy for staying while all the formalities were being looked after and allowing us to be with our family.

Phil, Marg, Toby, Rob, Jason and the entire professional staff at the J S Jones and Son Funeral Home. You made a very difficult time in our lives just that much easier to deal with. It is at times like these that we get to truly understand how very fortunate we are to still have such a professional and caring group around to look after and care about us all.

To our wonderful neighbours, family, friends and co-workers who provided the constant flow of food and support, thank you, words will never express how much it meant to us.

To all those who sent flowers, made contributions to charity in Dad's name, attended the visitation and funeral - Dad would have been very proud of the send off you provided - Thank you.

Thanks to the Catholic Woman's League of Holy Cross Church for the lovely lunch they provided after the service and to Father David Wynen - your words of compassion were very comforting and the service was just as Dad would have wanted.

Gary and Sherry Greenwell, we are not sure how we would have made it through this difficult time in our life without you - thank you for being you. Also a big hug and thanks to Melissa Williams for all your time and effort on the picture collages and for the endless support and love that you gave to us all.

At times like these it seems everyone gets their "Guardian Angel" to help them through difficult times. Angie (Smith) McMenemy you were certainly ours - you helped us through the initial shock of losing Dad and then you made it possible for our Mom to attend Dad's funeral. Your care, compassion and support helped our Mom through the most difficult day. You are a very special person, we will forever be thankful to you for all that you did.
