

# REFLECTIONS OF OUR HEROES

## IN HALTON HILLS ~ 2007

They Are the people you hope you never have to call. But when help is needed, they are the first to arrive. It could be something as major as a car accident or house fire, or as simple as directing traffic when the lights are out. Police officers, firefighters, and paramedics put themselves at risk to help others. Join our sponsors in showing your appreciation for these local heroes.
