## Speed skaters post strong results

Halton Hills residents turned in some landmark results for the Milton Speedskating Club at a meet that drew competitors from as far away as Michigan at Oakville's River Oaks Recreation Centre earlier this month.

Two Georgetown skaters posted top-five finishes for their respective age groups and another achieved a first for the three-year-old Milton club.

Seven-year-old Kelsey Carr placed 12th in the peewee girls' category, although her times were fast enough to qualify her for the Ontario championships at Clarington in March, something a Milton club member hadn't done before.

Samuel McEachran also finished first in the midget age group (12 & under) and his sister Abigail was an impressive fourth in the bantam division in her first-ever meet.

Following are the results for local-area

members of the Milton Speedskating Club at the Oakville races:

# A GOOD REASON TO SHOP LOCAL

#2. Shopping local saves you money. Out of town shops have done a good job of convincing us all that sole traders = expensive, but the evidence just isn't there to back this up. If you add in travel, parking costs, fees to transport larger items home and your time, the overall cost is often much higher.
