

# Shutterbugs: let the shooting begin

Once again, Halton Hills Camera Club is presenting PhotoArt 2008, the largest juried exhibition of photographic art in Halton Hills

Photo enthusiasts are encouraged to dust off their best images and enter the show, which showcases the photographic art of Halton Hills photographers, both amateur and professional.

Entries are to be dropped off between February 23 to March 1 at Sandra Timleck's home, at 27 Park Avenue, Georgetown. Drop-off times are from 6 to 9 p.m. on weeknights, and from noon to 6 p.m., Saturday and

Sunday. All entries must be packaged in an envelop with the entrant's name and contact info clearly marked on the front.

Entrants are asked to call Timleck at 905-877-6198 before dropping off entries.

The Awards Night will be held Thursday, March 6 at 7 p.m., in The Gallery at the Halton Hills Cultural Centre. The exhibition will be on display until Saturday, March 29.

PhotoArt 2008 is open to all residents of Halton Hills and to Halton Hills Camera Club members. It includes categories open to both children and adults.

Children may enter up to three 4 by 6 inch unmounted colour prints, in any subject. Entry fee for the children's single category is \$2 per entry.

Adults may enter up to eleven prints in nine categories with a maximum of three prints in one category. The adult category entry fee is \$4 per image.

The categories all have colour and black and white divisions, and are as follows:

1. People, Creatures and Critters, 2. Foliage and Flowers, 3. Objects and Abstracts, 4. Scenery and Architecture, and 5. Creative Digital, which is a single division.

Creative Digital category features an original image produced by the photographer, manipulated through digital imaging software to design a creative original.

### 2008 Blue Box & Garbage Calendar

In mid-January you should have received a copy of the 2008 Blue Box and Garbage Calendar. The calendar has everything you need to know about waste collection in Halton Region including the Blue Box collection schedule and a Halton Waste Management Site overview. Important information about upcoming waste collection changes that start April 7, 2008, which include the GreenCart, a weekly program to collect food waste and compostable papers, can also be found in the calendar.

Since waste collection changes are occurring in April, the calendar you received in January is shorter than usual. You will receive a new Waste Management Guide and Collections Calendar in mid-March, which will outline all of our new levels of waste management services in detail.
