Pitching in to help Sick Kids

In Timbits Hockey, kids learn that there's more to hockey than just playing the game. It's also a fun way to make new friends and discover a love for the game. Tim Hortons is proud to support the 250 boys and girls who play Timbits Hockey in Georgetown and Acton - where making new friends, and discovering a love for the game is all part of the drill.

The first goal is having fun.

Scott Lord of Georgetown is embarking upon a unique fundraising project in aid of the Hospital for Sick Children SickKids Foundation. Entitled 'Help Me Help SickKids', Lord is offering his services around town to shovel snow (driveways and sidewalks), spring and fall cleanup, yard waste removal, lawn maintenance, spring planting and weeding flowerbeds. Donations Lord receives from the odd jobs will be donated to SickKids Foundation, specifically to the Kirkland Kilbride Research Fund. Lord was moved by Kirkland's story and wants to do what he can in memory of the six-year-old Georgetown youngster who succumbed to mitochondrial disease last year. For more info contact Scott Lord at 905-877-6161.

Do you have Registered Retirement Savings Plan (RRSP) contribution room from previous years? Are you short of money to make the contribution you would like? If so, consider borrowing to take full advantage of your RRSP. With interest rates at low levels these days, borrowing to make your maximum RRSP contribution usually makes good sense. You may find monthly loan payments onerous, but you can reduce the burden by using the tax refund generated by your RRSP contribution. This will cut your monthly payments, and reduce your total borrowing costs. I can help you determine whether this type of loan makes sense. Please call me to get information about how to structure a short-term RRSP loan for maximum benefit to your retirement savings.
