Trafalgar Road, south of Five Sideroad, was closed for 10 hours Friday after a dump truck hauling a pup trailer fully loaded with gravel, collided with a school bus that was attempting to reverse into a residential driveway. Both drivers were charged. Photo by Ted Brown

Crash leaves Trafalgar Rd. closed for 10 hours

A collision between a gravel truck and a school bus with no passengers on Trafalgar Rd. Friday morning resulted in only a minor injury to the bus driver but caused the road to be closed for 10 hours.

Halton Police say the accident occurred at about 8:25 a.m. south of Five Sideroad when the driver of the school bus, that had no children on board, was attempting to reverse the bus into a residential driveway on the east side

of the road.

While she was reversing and turning the vehicle into the driveway the front of the bus entered the southbound lane where it was struck by a dump truck hauling a pup trailer, fully loaded with gravel.

The driver of the truck attempted to avoid the bus and swerved to the right. The truck spilled its load when it flipped on its side and landed in the ditch.

The truck driver wasn't injured. The bus driver's minor injury was treated at the scene.

The bus received moderate damage, and the truck severe damage to its front end.

The bus driver, a 32-year-old Halton Hills woman, was charged with careless driving.

The 44-year-old male truck driver from Brampton was charged with unsafe operation of a commercial vehicle, improper brake adjustment and fail to record defect on inspection report.

Plow operators feeling residents' wrath

Works department inundated with complaints

LISA TALLYN
Staff Writer

While there have been a few complimentary calls to the Town's Public Works Department over the past couple of weeks, most of the 200 calls Town staff have been inundated with have been complaints about the job they're doing on snow clearing.

The most common grumbles are that the roads and sidewalks aren't being cleared quickly enough or good enough, or that a Town

snowplow has knocked down a rural mailbox, says Town Public Works supervisor Dick Spear.

And they're not just calling in their beefs, the plow operators are also hearing from the angry residents directly, said Spear.

The drivers are being told to come down the street next time with the plow down, Spear said, and

DICK SPEAR

people are yelling at them because they are plowing snow into the end of their freshly-cleared driveways.

Spear, however, has nothing but praise for his 27-member public works staff. Six Recreation and Parks employees also help out in the winter.

"My staff has worked around the clock since it (all the snow this month) started," said Spear. "I'm very proud of my staff. I wouldn't trade them for anything."
