

# BENEFITS FOR CANADIANS

Create An Alternative To RRSP's  
While Making Your Mortgage Tax Deductible  
"tax-saving benefits for Canadians"

WE HAVE A FINANCIAL STRATEGY THAT SIMULTANEOUSLY CONVERTS MORTGAGE INTEREST TO TAX DEDUCTIONS, SHORTENS THE AMORTIZATION OF YOUR MORTGAGE AND BUILDS A FREE AND CLEAR PENSION PORTFOLIO FOR YOUR RETIREMENT - FUNDED THROUGH YOUR MONTHLY MORTGAGE PAYMENTS AND WITHOUT REQUIRING ANY ADDITIONAL MONTHLY CASH INVESTMENT KNOWN AS **THE SMITH MANOEUVRE.**

Are you investing enough, soon enough?

GET YOUR MORTGAGE TAX-SAVING BENEFITS TODAY, CALL US AND WE'LL SHOW YOU HOW!

THE SMITH MANOEUVRE is a remarkably efficient way for you and your family to raise large amounts of new money, through free tax refunds, so that you can start building a larger nest egg, sooner.

Most Canadians aren't. After ever-rising taxes and the cost of making ends meet, most of us don't have the resources to put away 10% of our income and max our RRSPs every year. The benefits of compound interest, which are essential to our long-term financial well-being, remain elusive. But there is a way to change that. It's done by transforming mortgage interest into tax refunds. Next to winning the lottery, nothing improves your cash flow more efficiently than the act of reducing your income tax - and doing it by making your mortgage tax-deductible.
