

# Halton Hills Public Library offers Rapid Reads collection

There is only one good thing about really bad weather— being stuck inside. It is a fabulous excuse to dedicate some serious time to a good book. And with the Halton Hills Public Library's new Rapid Reads collection, there are more good books available for you to choose.

Our new Rapid Reads Collection is a special set of bestselling books that you can borrow for seven days each. No reserves can be placed on these special copies which means you can bypass the often lengthy

waiting list and borrow a brand new bestseller right away.

Here are some examples of books in our rapid reads collection:

Made even more popular by the new television show, *The Women's Murder Club*, the latest book in this series by James Patterson is *7th Heaven*. In this installment, detective Lindsay Boxer must pursue a rampant arsonist while dealing with a case that seems to perfect to be true.

It has taken 18 years for the sequel to *Pillars of the Earth* to be published, but there is little doubt

## Clare Hanman

that Ken Follet's *World without End* has been worth the wait. This book continues to paint a detailed picture of 14th-century England through the lives of a peasant's wife, a knight, a builder and a nun.

John Grisham's latest bestseller,

*The Appeal*, is another one of our Rapid Reads titles. In this book, a chemical company's appeal to the Supreme Court of Mississippi hangs in the balance as the company's owner tries to "buy" a seat on the bench for a judge of his own.

Danielle Steel's latest book, *Honor Thyself*, was released just a few weeks ago. It is the story of a famous actress and budding novelist who travels to Paris to recapture the thoughts and feelings of a lost romance. Yet all her plans are destroyed by a vicious attack result-

ing in a case of amnesia, and she is forced to rediscover her entire life, piece by piece.

So if the weather has you down, and you are looking for a new bestselling title to curl up with, stop by either the Acton or Georgetown branch of the Halton Hills Public Library and check out our Rapid Reads shelves. You'll be amazed at what fabulous new books you can find.

**Concerning Application for a Plan of Subdivision and a related Application to Amend the Town of Halton Hills Zoning By-law For lands located on Confederation Street (Ninth Line), north of Bishop Court Part of Lot 23, Concession 10, Town of Halton Hills (Hamlet of Glen Williams)**

**Town of Halton Hills File D12/D14/SU 1232046 Ontario Inc. (Charleston Homes) (Formerly Summertree Homes) - 24T- 83008/H**

General Committee for the Town of Halton Hills will conduct a Public Meeting to examine and discuss the proposed Plan of Subdivision and amendment application to the Town of Halton Hills Zoning By-law 57-91, as amended. The proposed amendment applies to the property legally known as Part of Lot 23, Concession 10, Town of Halton Hills, former Township of Esquesing (Hamlet of Glen Williams). The vacant subject property is located on Confederation Street (Ninth Line), north of Bishop Court in the Hamlet of Glen Williams.

Below is a map showing the location of the subject property to which the proposed Plan of Subdivision and Zoning By-law amendment would apply.

The purpose and effect of the proposed Zoning By-law Amendment and Subdivision applications are to permit the establishment of a 31-lot Hamlet Estate Residential Subdivision, as Phase 2 of a 61-lot hamlet estate residential development, to be serviced by municipal water mains and private, individual septic systems.

The property is currently designated Hamlet Estate Residential in the Town of Halton Hills Official Plan (OPA 113 - Glen Williams Secondary Plan). This designation permits single detached residential uses, and home occupations and cottage industries, on piped water supply and private, individual septic systems. Portions of the property are also designated Core Greenlands and Supportive Greenlands. These designations permit uses such as non-intensive recreation uses, essential watershed management and flood and erosion control projects carried out by a public authority. Development may be permitted in Supportive Greenlands through the approval of an Environmental Implementation Report by the Conservation Authority and the Town.

The subject lands are zoned Rural (RU) Zone. Permitted uses in the Rural (RU) Zone are agricultural and forestry uses, one single-family dwelling on any one lot, home occupations including the office of a qualified medical practitioner, consulting veterinarian or a professional office, and bed and breakfast establishments. The applicant is proposing to change the zoning for the subject property to a General Residential Special (RG-1) Zone and an Inherent Hazard Lands Special (OS2-1) Zone.

If you wish to be notified of the decision of the Town of Halton Hills in respect of this proposed Zoning By-law Amendment and Plan of Subdivision, you must make a written request to the Town of Halton Hills - PLANNING & DEVELOPMENT DEPARTMENT at 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2.

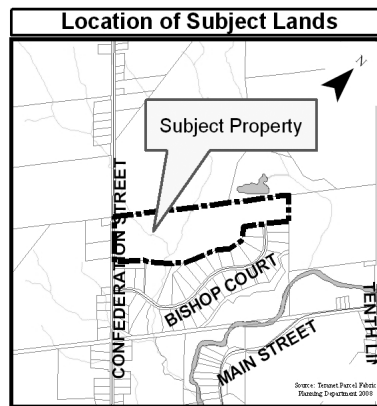

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Town of Halton Hills before the by-law is passed, the person or public body is not entitled to appeal the decision of Council of the Town of Halton Hills to the Ontario Municipal Board.

If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Town of Halton Hills before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

**NOTE: Any written comments/objections submitted to the Town of Halton Hills regarding this Application(s) which is being processed under the Planning Act 1990, may be made public as part of the application process.**
