What I liked was the fact that I could eat regular grocery store food no special bought meals. I have never been on a diet where I could eat as much food as the program allows me to and **STILL** lose weight. The Herbal Magic program was so easy to follow no calorie counting just portion sizes! I no longer suffer from medical problems that were because of being overweight. But what I enjoyed the most were the people, you are not just an overweight client you are family to them - you are always encouraged and never discouraged

even on the roughest of days. Believe me, if I lost this much weight so can you!! Cori, Bonnie and Kelly I love you guys!!!
