

New health studio opens this weekend

Reiki Master and Intuitive counselor, Chantal Garneau of Georgetown, is opening a studio downtown Georgetown that focuses on healthy living for the body, mind and spirit.

Yoga, meditation, Reiki, and nutrition are among some choices available to the residents of Halton Hills who wish to feel more joy in their lives.

Garneau says, "on average we tend to experience more stress, fear and anxiety in our lives than love and joy. It doesn't have to be this way."

Having suffered for over five years with fibromyalgia, she successfully healed herself through Reiki and meditation, "all the tests I had and doctors I saw could not give me answers. Once I learned how to connect with myself I was able to heal the

true cause of my disease."

Garneau says she is passionate about sharing what she's learned and in helping others to connect with themselves and to empower them to heal their lives.

Her new studio is located at 66 Main St South, downtown Georgetown and everyone is welcome to attend her open house this Friday, March 21, 5-9 p.m. or Saturday March 22, 12-5 p.m.

For more information the public can contact her directly at 905-783-8853 or on the web at www.chantalgarneau.com
