... Lend
Me
Your
Ears

There's hardly any aspect of our lives that doesn't have sound associations. Hearing keeps us in contact with life, with people, with the sounds of the world around us. It is a priceless gift.

Sometimes our hearing fails us. Hearing loss can happen to anyone, regardless of age. Occasionally children are born with hearing defects. Hearing loss may be caused by infections, head injuries, prolonged exposure to loud noise, certain medications and of course the acting process.

The latest development in hearing instruments is known as digital technology, the driving force behind computers, fax machines and satellite communications. This has transformed our lives in ways no one could have imagined. Just as the compact disc (CD) forever changed how we listen to music, new digital hearing aids are revolutionizing the way hearing health care professionals help people hear better. If you or one of your family members suspects a hearing loss, call...

Tooth Chatter

by
ALEX
TRENTON
DENTURIST

"I WISH I'D LOOKED AFTER MY TEETH"

Oh, I wish I'd looked after my teeth,
And spotted the perils beneath,
All the toffees I chewed,
And the sweet sticky food,
I wish I'd looked after my teeth.
I wish I'd been that much more willin'
When I had more tooth there than fillin'
To pass up gobstoppers,
From respect to me choppers
And buy something else with me shillin'
When I think of the lollies I licked,
And the licorice allsorts I picked,
Sherbet dabs, big and little,
All that peanut brittle,
My conscience gets horribly pricked.
My mother, she told me no end,
"If you got a tooth, you got a friend"
I was young then, and careless,
My toothbrush was hairless,
I never had much time to spend.
Oh, I showed them the toothpaste all right,
I flashed it about late at night,
But up-and-down brushin'
and pokin' and fussin'
Didn't seem worth the time -- I could bite!
If I'd known I was paving the way,
To cavities, caps and decay,
The murder of fillins'
Injections and drillins'
I'd have thrown all me sherbet away.
So I lay in the ole dentist's chair,
And I gaze up his nose in despair,
And his drill it do whine,
In those molars of mine,
"Two amalgum" he'll say, "for in there"
How I laughed at my Mother's false teeth.
As they foamed in the waters beneath,
But now comes the reckonin'
It's me they are beckonin'
Oh, I wish I'd looked after me teeth!
