LANDFILL EQUIPMENT OPERATOR

In this full-time position, working from Tuesdays to Saturdays, including outside of normal working hours, you will perform site maintenance, waste inspection and traffic control functions. Backed by at least 3 years of heavy equipment operation and equipment maintenance experience, you are able to operate D-7 dozers, steel wheel waste compactors, rubber-tired loaders, backhoe loaders, forklifts, tandem-wheeled trucks with air brakes and manual transmission, as well as snow removal and other equipment. You must have a valid DZ driver's licence. A high school diploma and training in construction and heavy equipment operation are assumed. This role involves working in adverse weather conditions, and participating in standby duties.

For further information, please visit our website. Please apply online or forward your current cover letter and resume, quoting **Competition #PP-121-08**, by **April 16, 2008**, to: **Human Resource Services**. Applicants will be considered based on the information provided.

We thank all candidates for their interest. However, only those selected for an interview will be contacted.
