Offers are on new vehicles, for a limited time only, may change without notice and cannot be combined with any other offers. Financing through Nissan Canada Finance and is subject to credit approval. Finance contract will reflect an annual interest rate of 0.9%. The purchase price of the vehicle will be reduced on the finance contract to reflect an effective annual interest rate of -1%. Financing example: \$20,000 financed over 60 months at 0.9%, payment is \$341.01 monthly, c.a.b. is \$460.60, \$20,000 financed over 60 months, at -1% is \$324.93 monthly, c.a.b. is \$504.20. Therefore, finance contract will show a discount on purchase price of vehicle of \$964.80 to reflect the difference in borrowing costs. 100 day finance payment deferral is no cost to customer. Vehicles shown are for illustration purposes only. -1% financing does not apply to previous purchases.
