

## Pizza Pizza collects aging cell phones as its Earth Week contribution

Pizza Pizza is providing people with the opportunity to do the environment, the needy and themselves a favour, simply by donating old cell phones throughout the month at Pizza Pizza in Georgetown.

Pizza Pizza will be turning the phones

over to the Canadian Association of Food Banks (CAFB) and its "Phones-for-Food" program. The recycled phones, regardless of age or condition, are sorted and sold to the remanufacturing industry, which in turn sells the refurbished products to con-

sumers thus keeping the old cell phones out of landfills, where hazardous toxins from the phones might seep.

In exchange, Pizza Pizza will be offering a free slice of cheese or pepperoni pizza.
