CARD OF THANKS

Several weeks have passed since the death of our son, Kirkland Kilbride and during these days it's been overwhelming to reflect upon the outpouring of support we've received from friends, family, neighbours, and total strangers. There isn't a day that goes by where we don't reflect on his legacy with pride and feel so grateful to everyone for giving meaning to his life. There are so many special people who have touched our lives since Kirkland's birth and who have continued to support us since his death as well. Kirkland's medical team led by: Dr. Annette Feigenbaum, Dr. Christine Newman, Maria, and their staff at SickKids Hospital especially the staff on 7C, 7D, and 7B. Dr. Conrad Yim, Leanne, Dr. Antonella Morra and the staff at Trillium Health Centre. Dr. Paul Zeni and the staff at Georgetown Hospital. Kirk's homecare team: Donna, Sandi, Jody, Susan, Nancy, Marie, Fariba, Betty, Victoria, and his many his other loving nurses and home therapists over the years. Charles, Jeanette, and their incredible pharmacy team at Wal-Mart and the group at Young's Home-care Dept. Kirkland's care was second to none and we will be forever grateful to you all for helping us to provide him with the best quality of life possible. We thank Susan Hagan, our spiritual counselor and dear friend who lovingly visited with us for months and conducted Kirkland's service. Special appreciation is extended to Rob and the staff at J.S. Jones & Sons Funeral Home, the ladies at Holy Cross Church who went above and beyond to create a beautiful Celebration of Kirkland's Life. We thank all of you who came to visit us, call, or send kind messages. Your words sustain us still and make the days much easier. So many beautiful flower arrangements were admired, generous donations were made to the Kirkland Kilbride Research Fund at SickKids Foundation, and meals were brought to our home...so much love and warmth extended to our family. To all of you who have been here, sharing in our joys and sorrow over the years, we will never be able to express what it has meant to us to have you by our side. Kirkland's presence in all of our lives was and remains a blessing and we thank you for not leaving us alone to face the uncertainty of his future. You gave us that shoulder to cry on, and offered that smile and helping hand when most needed. And it was through you that Mito March was born...a gift that we will forever cherish. Somehow mere words don't seem enough to express the gratitude in our hearts. We are so blessed to have you a part of our lives.

Gerry, Kelly, Evan, and Carson Kilbride
