Georgetown Chevrolet General Sales Manager John Musial (left) recently congratulated sales/leasing representative John King on his promotion to Assistant Sales Manager on the anniversary of his 20th year selling Chevrolet products at the dealership at 33 Mountainview Road. The dealership, which was totally renovated 18 months ago, features the very best in customer service, with its drive-through service area, and sales, service and leasing of all

makes and models. Musial, with 30 years experience in the automotive industry, is proud of the quality of customer service his staff has to offer. Both Musial and King invite Halton Hills residents to drop by and test drive any of the 2008 Chevrolet products.
