

Greenwell adds to college golf resume

Georgetown's Robbie Greenwell will have a lot of hardware to declare at the Canada/U.S. border now that his collegiate golf career has come to a close.

The 21-year-old senior picked up another Conference U.S.A. golfer of the week award and was named to the all-conference's Second Team for his play in 2007-08, which included three top-five finishes and four top-15 results.

As well, the North Halton Golf & Country Club member checked in at three under-par through the 54-hole Conference U.S.A. championships in Arkansas, helping the Memphis men's varsity team finish third overall. He was named to the All-Tournament Team for his fifth-place showing.

Greenwell said he plans to turn professional in January 2009 after completing his sports management degree at Memphis this fall.
